

# RapidPress Extreme Flange Table E

## Features

- FKM Seal
- Dimensional Standard: AS2129
- Please note: Sizes from 22, 28 and 42 are not manufactured to AS2129 Standard, as the thickness exceeds standard to avoid unacceptable warpage that may occur at standard AS2129 thickness.
- Flanges are forged to: ASTM A182
- Temperature rating: -20°C, 220°C
- EPDM and Gas Rated options available
